THE RWB PA *Difference*

- Red Wine and Blue doesn't pack up after election season. We organize **year-round** on-the-ground in Pennsylvania communities.
- We don't just get out the vote. We **strategically educate** our members about the PA legislature, state and local issues, and how to vote most effectively.
- Our organizers offer one-on-one **conversations** and excel at building power in our local communities.
- We offer both in-person and virtual **meetings**.
- Our **Rally** tool and **Strategic Impact Teams** provide tangible ways to make a difference.
- We've been **making change** in PA since 2021.
- We already have the **infrastructure** in place to hit the ground running for the 2026 midterms.

The PA House of Representatives

203 SEATS ALL UP FOR ELECTION

103

100

- A three-seat lead in the House is not enough – we must expand this majority.
- 2025 general and special election results indicate that there is momentum to make this happen.

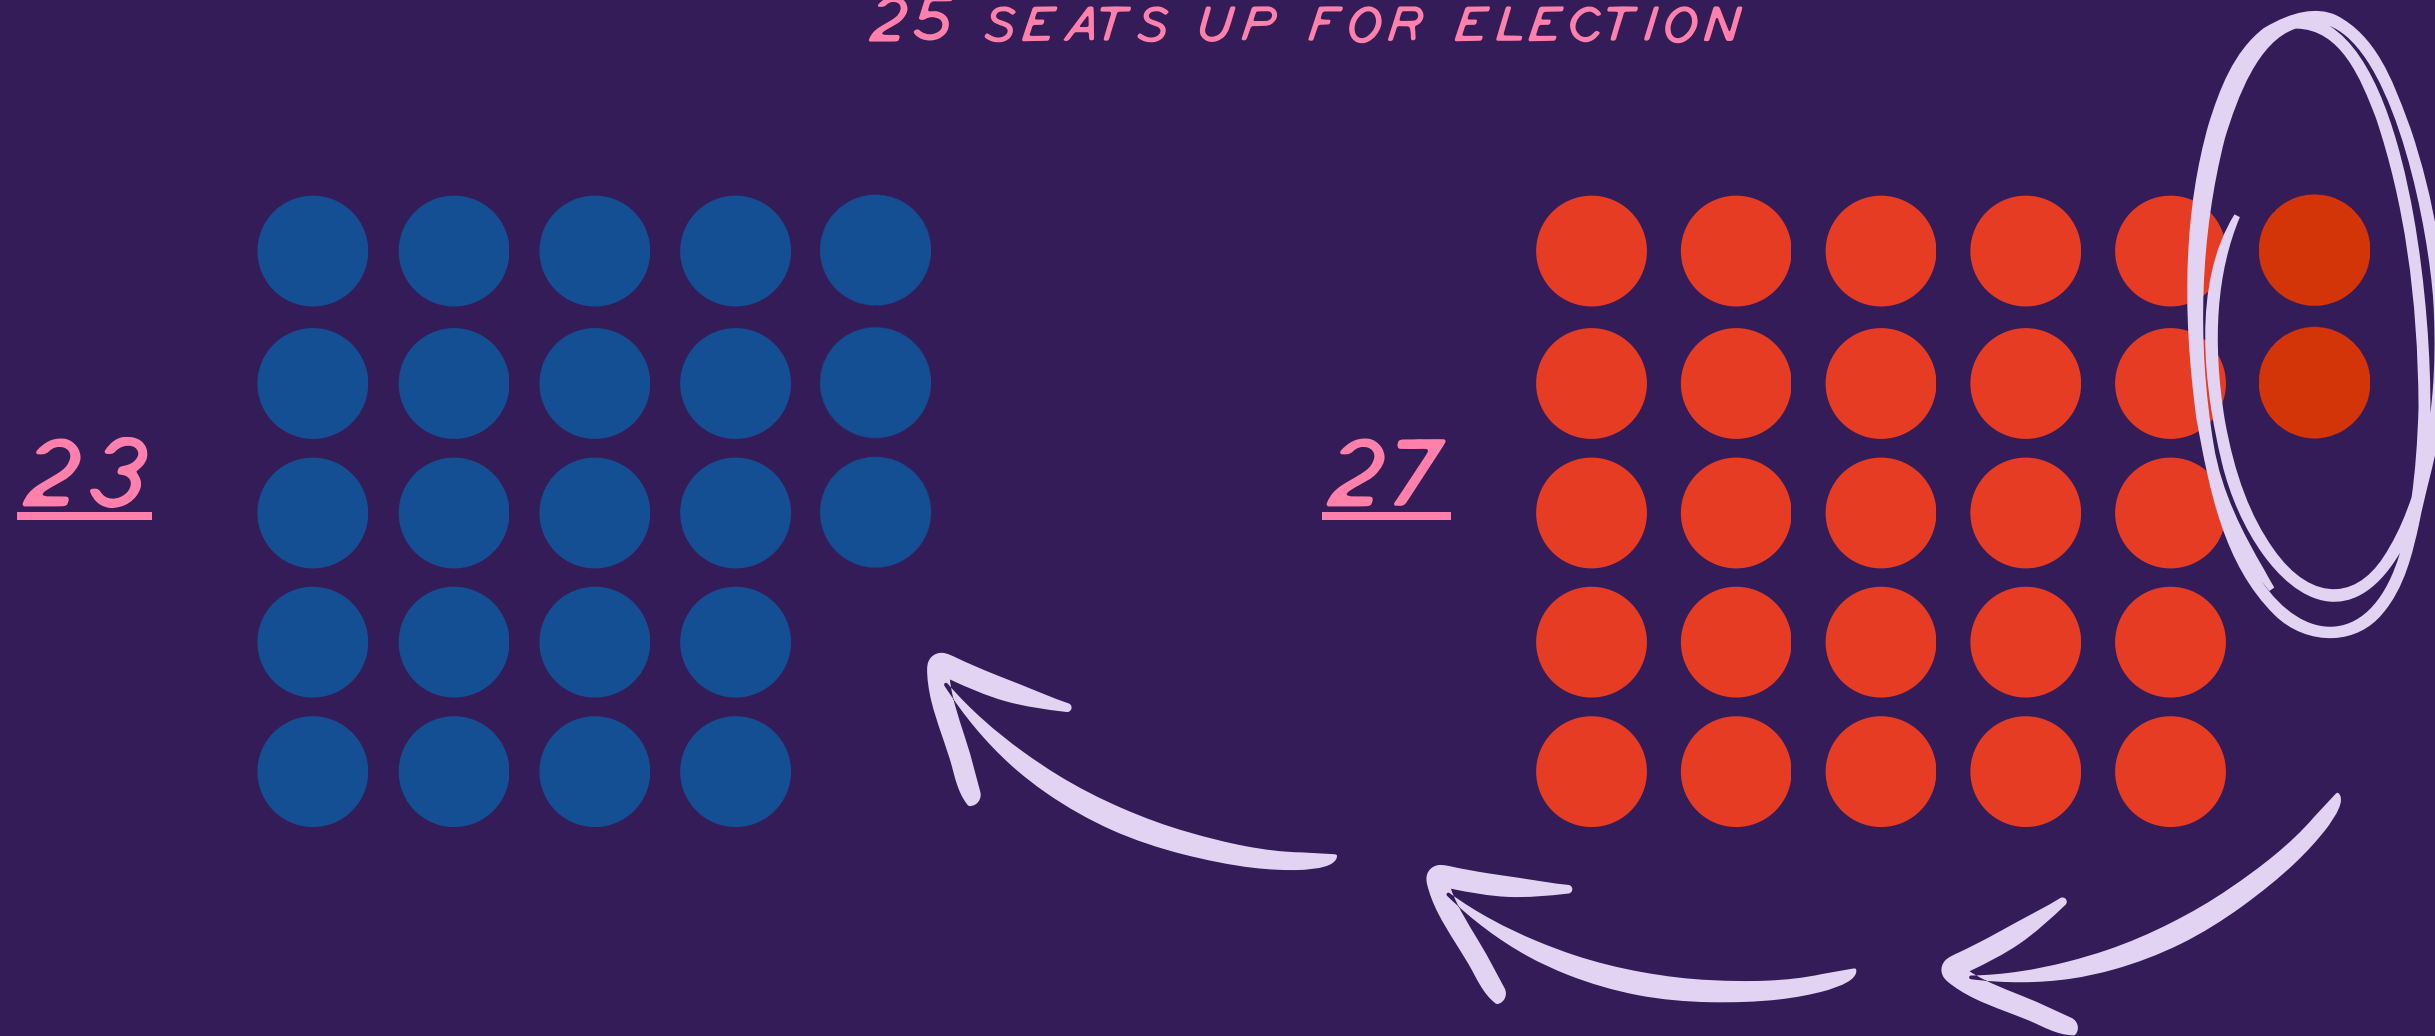

The disconnect in the PA General Assembly has left Pennsylvanians without meaningful legislation on gun safety:

- HB 1593 - Universal Background Checks (stuck in Senate Committee)
- HB 1099- Banning Ghost Guns (Defeated in House 101-102)
- HB 1859- Red Flag Law (Defeated in House 101-102)
- HB 1866- Machine Gun Converter Ban (Defeated in House 101-102)

The PA Senate

25 SEATS UP FOR ELECTION

- Flipping just two seats would allow the Lieutenant Governor to break any tied votes – a majority would be even better.
- Winning the Senate would ensure unified control and the potential to pass critical legislation – offering Pennsylvania protection from harmful federal policies.

Harrisburg is...

BROKEN

- A nationwide analysis of state legislatures found that Pennsylvania had one of the **least efficient** state legislatures in the country last year.
- The deep **partisan divide** and the concentration of power within legislative leaders play a major role.

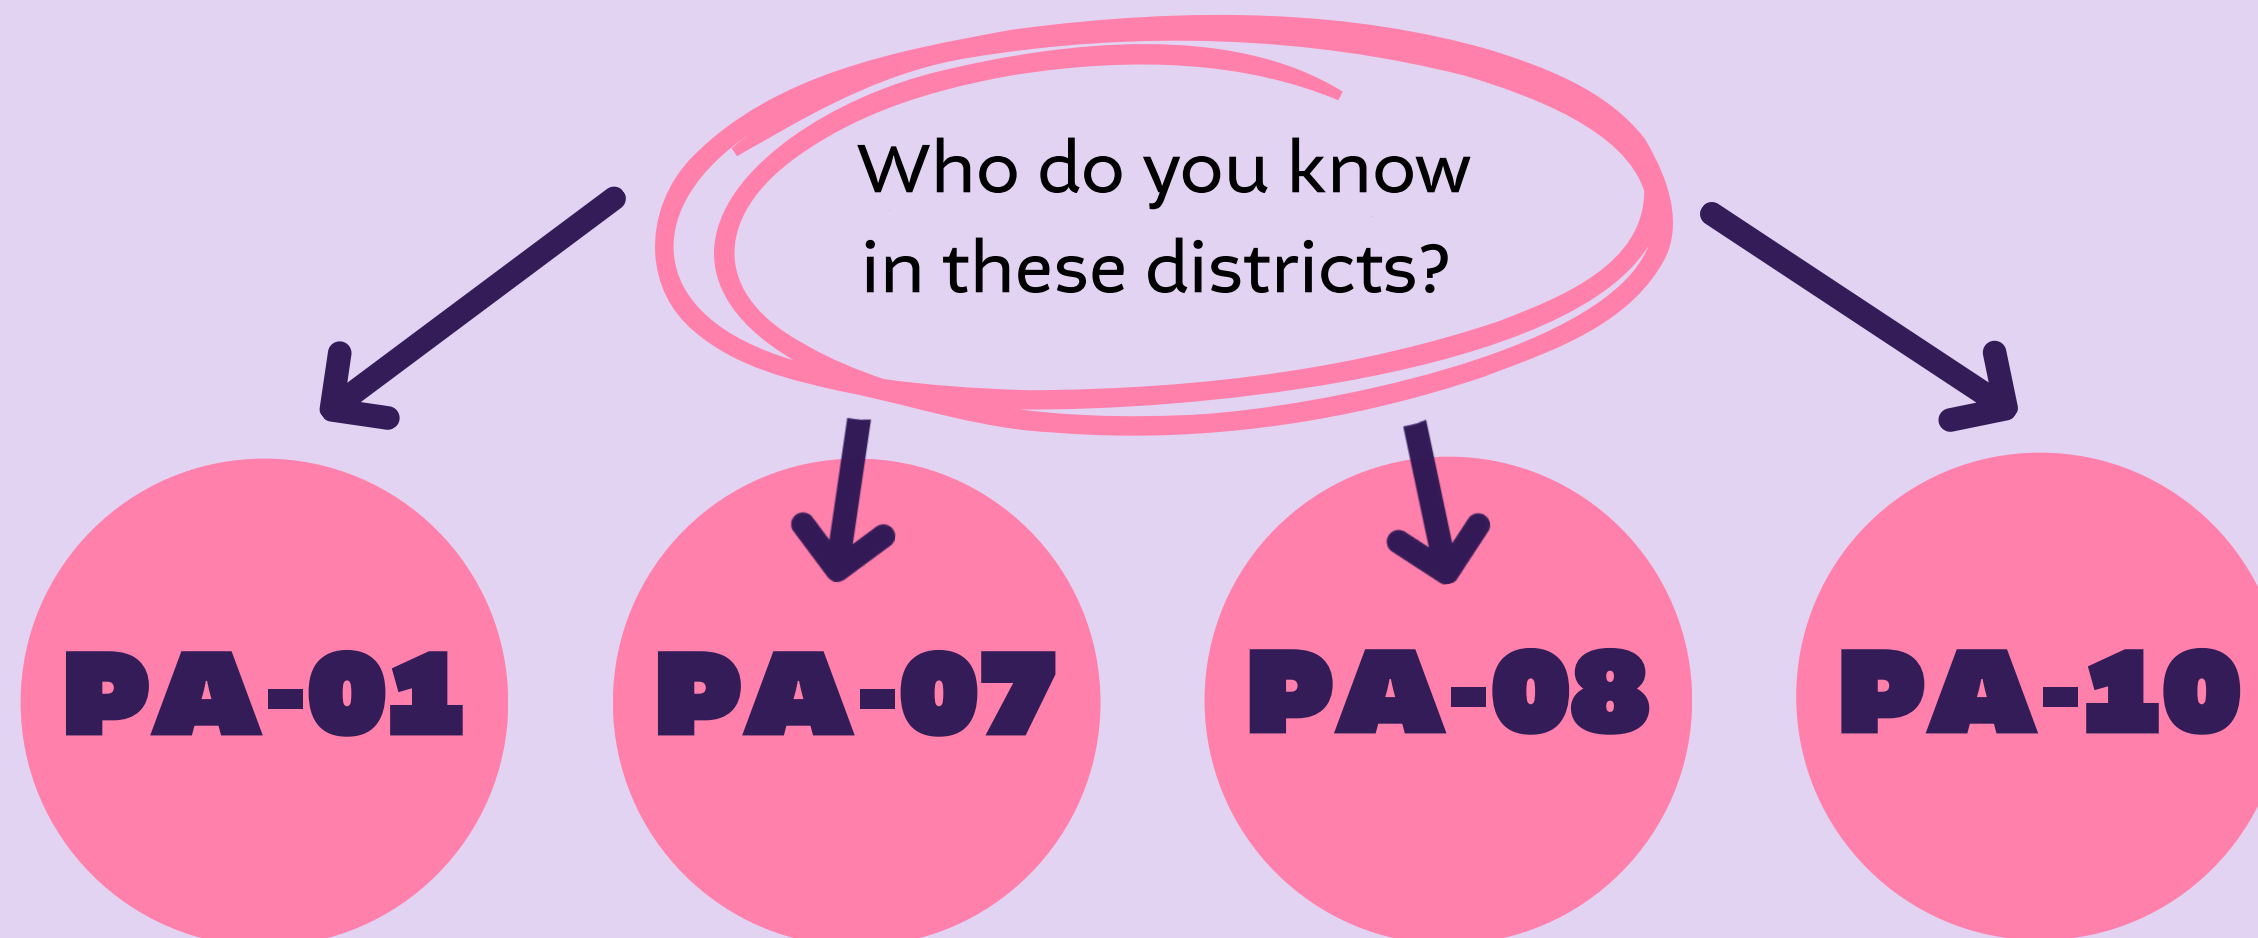

the Assignment:

- ① **RE-ELECT** the Governor & Lieutenant Governor
 - ② **EXPAND** the House & **FLIP** the Senate
- creating a trifecta!**

*** We will elect all state House seats and half of the Senate seats in 2026***

PA DRAWING NATIONAL ATTENTION – AGAIN

- There are 17 US House Seats up for grabs in PA this year – 4 of them are national targets.
- A three seat gain would allow Democrats to gain control.

“People were overwhelmingly grateful I reached out. Several said that they didn't have info on the upcoming election at all and weren't sure they would have voted if I hadn't reached out. These are well meaning professional folks. These are folks who give a crap about our kids and our future in this country. These are people who don't want extremists overrunning our government or courts or school districts. But they were probably going to let Nov pass by!!”
