HARRISBURG IS

BROKEN

- A nationwide analysis of state legislatures found that Pennsylvania had one of the **least efficient** state legislatures in the country last year.
- The deep **partisan divide** and the concentration of power within legislative leaders play a major role.
- Our legislators are **overpaid** and **underworked**

Did you know the last time Pennsylvanians elected Democrats to all three branches of state government was in 1978!?

the Assignment:

- ① **RE-ELECT** the Governor & Lieutenant Governor
- ② **EXPAND** the House & **FLIP** the Senate

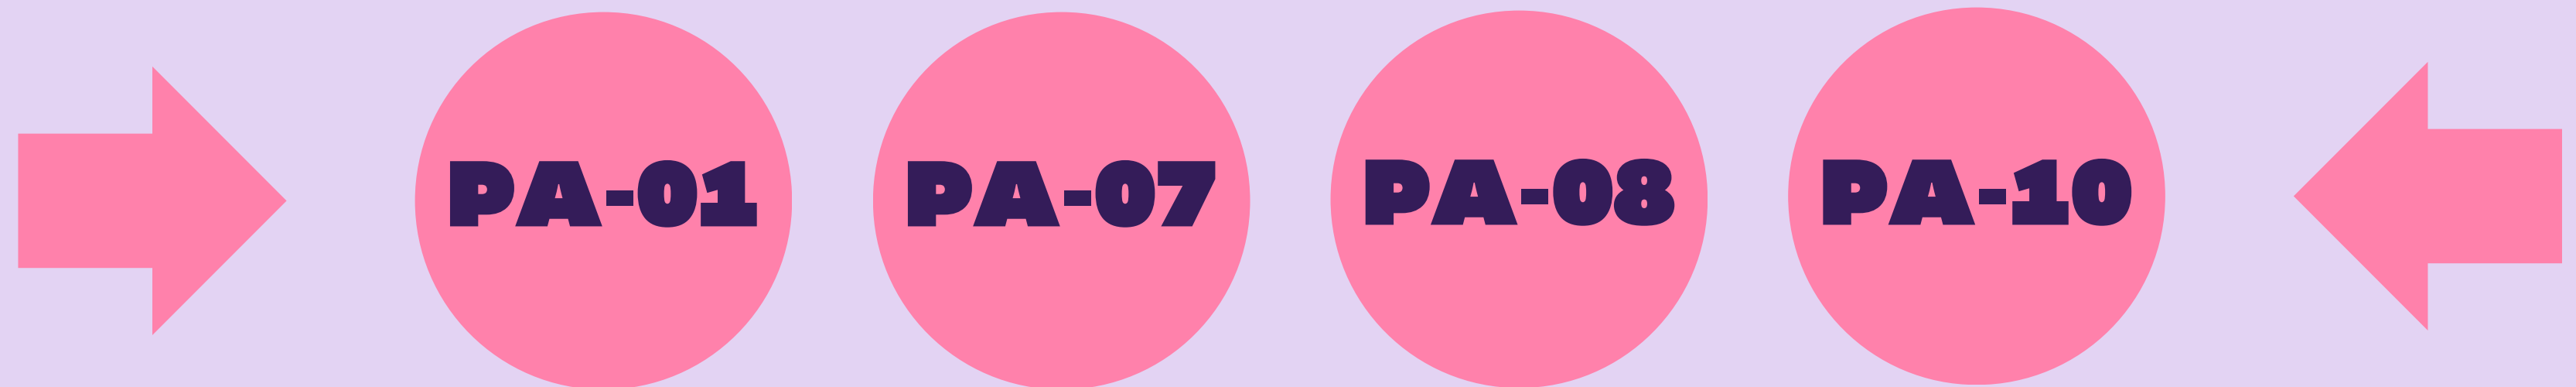

creating a trifecta!

*** We will elect all state House seats and half of the Senate seats in 2026***

ALLEYES ON PA IN THE MIDTERMS

- In the midterms, Pennsylvania is the high-stakes battleground that could decide the game in Washington, DC.
- These four US House seats could decide the balance of power in the House of Representatives.
