READY TO WIN ELECTIONS?

STEP 1: MAKE FRIEND-TO-FRIEND ORGANIZING EVEN EASIER

Tap on the *“Rally to Get Out the Vote”* square on the home screen of the RWB App.

STEP 2: CHECK YOUR VOTER REGISTRATION

Enter your information and confirm your voter registration status. It’s okay if you can’t find a match! Select *“Continue without match”* at the bottom and you can find the match later.

STEP 3: BUILD YOUR LIST

Who can you get out to vote? Create a list of people in your circle of influence. (Use our handy worksheet for help). Tap “Add Contact” button and enter the names to verify their voter registration status. If there isn’t a match, click “Continue without match”

STEP 4: REACH OUT TO YOUR FRIENDS

- Rally will walk you through all the steps to turn out voters — from checking registration, to sharing sample ballots, to creating vote plans. It will show you who needs a conversation and what action to take.
- Start by tapping *“Needs a Conversation,”* then open the *“Talk”* tab to get the information to share with that person.
- Once you've shared it, report back by clicking *“I did it.”* Reporting back is very important — it helps us see how many voters we are reaching and how the impact we're having together on the election.
