

GOTV SEASON OF ACTION

Electing thoughtful, common-sense leaders is how we build a strong foundation for creating change at every level. Every time an extremist loses a local election, it sends a powerful message. With 100,000+ school board and city council seats on the ballot in 2025, your group can make a real impact.

The best way to do that? Host an event (or series of events) to register voters and get them to the polls.

WHAT IS GOTV SEASON OF ACTION?

This fall, TroubleNation's GOTV Season of Action empowers groups across the country to run voter registration and mobilization events. We're aligning with two key Civic Holidays:

- **National Voter Registration Day – September 16, 2025**
- **Vote Early Day – October 28, 2025**

Register your event on [TroubleNation's GOTV hub](#) to get it featured and connected to your group's page.

Pro Tip: Start planning today! Even a small event – a table at your local farmers' market or a neighborhood gathering – can register new voters and build momentum in your community.
