

NOT POLITICAL? NO PROBLEM. IN FACT, IT'S PERFECT.

Red Wine & Blue is a powerful grassroots community of diverse suburban women working together to defeat extremism.

WHAT WE'RE ABOUT

At Red Wine & Blue, we're all about helping you make meaningful connections, organize in your community, and become more effective than you ever imagined.

With all of the chaos happening at the federal level, it's even more important that we organize locally, educate our neighbors, and bring everyone we can into the fight.

When they go low, we go local. That's how we win.

HOW WE WORK

- Red Wine & Blue members are making a huge impact on elections—especially down ballot—one conversation at a time.
- An independent analysis found that RWB's relational organizing program **increased voter turnout by 8.5% among members and 10.5% among people they know.**
- Half of our members are current or former Independents and Republicans.
- One third of members who never miss an election were previously infrequent voters.
- By talking to family, friends, and neighbors, our members can **reach people across party lines** and those ignored by traditional organizing tactics. More than a quarter of people who members contacted in 2024 likely wouldn't have heard from most campaigns.

WHAT WE'VE ACCOMPLISHED

- Ohio **membership increased to 60,000 Ohio Troublemakers!**
- We **defeated 73% of extremist school board candidates** running in key school districts in **2025.**
- We elected common sense candidates to both chambers of the Ohio Statehouse in **2024.**
- We **hosted over 180 Ohio events** in **2025** alone.
- We have **60+ local Red Wine & Blue Network groups** in Ohio.

WHERE WE WORK

- We don't just show up during election season.
- Red Wine & Blue has full-time organizers on the ground, throughout the state, year-round.
- We have members in all counties in Ohio and **over 750,000 members across the U.S.**

YOU ARE WELCOME HERE! JOIN US!

Contrary to what pundits say, suburban women don't all look the same, think exactly alike, or drive matching minivans.

We're a diverse group of women of all ages who find strength in our differences and hope in community.

We're proud of our communities – we want our kids to grow up with their freedoms intact, in a place where everyone is welcome and treated with respect.

You've added common sense candidates to both chambers of the Ohio Statehouse in 2024. You've protected reproductive freedom for Ohio families. You've elected school boards to keep schools safe and welcoming. You know you're powerful. And you know we need to show up in 2026.

We won't allow an extremist takeover of our communities.
